THE ENGLISH CHURCH UNION was formed in the year 1859 for the purpose of uniting the Clergy and Laity of the English Church, and of Churches in communion therewith, in Defence of the Doctrine and Discipline of the Church, and of the Rights and Liberties of her faithful children.

Its main objects are to defend and maintain unimpaired the Doctrine and Discipline of the Church against all assaults, whether from Erastianism, Rationalism or Puritanism, from within, or from the efforts of Roman Controversialists and others from without; to afford counsel, protection, and assistance to all persons, lay or clerical, suffering under unjust aggression or hindrance in Spiritual matters; and in general so to promote the interests of Religion as to be, by God's help, a lasting witness for the advancement of His glory and the good of His Church.

Agents for the "Oedens" Pure Altar Wine.

OEDENS. 20/- per dozen Bottles. 11/6 " " Half-Bottles.

Carriage paid on all orders of one dozen bottles or two dozen half-bottles.

St. Peter's Rectory, Walworth, S.E., *October 22nd*, 1909.

It was over 25 years ago that I caused samples to be taken of all wines advertised for Eucharistic purposes. Some were found to have much added alcohol, and others extraneous matter. Messrs. Ford & Son's "Oedens" proved the best on analysis. I have since then used no other, and have never found any difference.

Rev. CANON HORSLEY.

All Altar Wines guaranteed the pure juice of the Grape.

Samples and Price Lists free on application.

PART III

ALPHABETICAL LIST OF BENEFICES

Note.—**An attempt has been made to simplify reference to this list, by inserting the names of the benefices in their natural order. Thus the Vicarage of St. Saviour's, Aberdeen Park N., will be found under "A," rather than under Islington, of which parish it forms a part. It is hoped that this may be useful. For information as to value of the benefice, population, &c., see List of Clergy in Part II.**

KOLA CHAMPAGNE

A NON-INTOXICATING TONIC.

The Lancet says :—"Kola Champagne is delicate in flavour and full of body, and contains in each bottle, according to our analysis, not less than two grains of caffeine, the stimulating and recuperative principle of tea and coffee. It appears to occupy a position between cocoa and tea, containing the nutritive ingredients of the former with the caffeine of the latter."

3s. 6d. per doz.
Champagne Pints.

Everyone should try the effect of a glass of Kola Champagne after a hard day's work. It is a wonderful stimulant and tonic, non-intoxicating, sparkling and pleasant.

CHARITY ORGANISATION SOCIETY.

Patron—HER MAJESTY THE QUEEN.
President—THE ARCHBISHOP OF CANTERBURY.
Chairman of Council—RIGHT HON. LORD SANDERSON, G.C.B.

Object: TO ORGANISE CHARITABLE EFFORT AND TO IMPROVE THE CONDITION OF THE POOR.

I.—ON THE PART OF THE COUNCIL OF THE SOCIETY.

1. By propagating sound principles and views in regard to the administration of charity.
2. By promoting the co-operation of charitable institutions for the furtherance of their common work.
3. By convening Special Committees to inquire into, and report on, comparatively technical questions connected with the administration of charity, such as the education of the blind, the legal provision for the afflicted, convalescent homes, artisans' dwellings, &c.
4. By making inquiries for persons legitimately interested, and collecting information regarding the utility, objects, and mode of working of charitable institutions.
5. By investigating on behalf of persons legitimately interested, and reporting on the appeals of begging letter-writers, whose operations are of a metropolitan or general rather than of a local character.
6. By supplementing the resources of the District Committees of the Society, by the personal assistance of officers appointed and paid, in all or part, by the Council, by grants for general purposes, and when necessary, for relief, and by obtaining adequate help in cases of difficulty.

II.—ON THE PART OF DISTRICT COMMITTEES.

1. By careful inquiry regarding all applicants for assistance (whether they be referred to the District Officers or apply of their own accord), in order to ascertain how and by whom they should be helped, and to test the truth of their statements.
2. By applying to each case, susceptible of permanent benefit, and suitable for assistance by charity rather than by the Poor Law, such remedies as are likely to make the applicant self-dependent.
3. By obtaining the various kinds of help required from those interested in the applicants, from their relatives, from charitable institutions, and from private persons; by assisting by loans, or, when necessary, by grants.
4. By sending (gratuitously) to legitimate enquirers, whether charitable agents or private persons, reports on cases of distress.
5. By bringing into co-operation with each other, and with the Poor Law authorities, the various charitable agencies and individuals in the district, and by making the District Committees representative of local charities and a centre of reference for all interested in charitable work.
6. By repressing local mendicity by means of investigation tickets and otherwise.

Papers containing further particulars can be had on application.

"To the Poor the Gospel is preached."

THIS Association works through some 80 Readers in the poorest and most congested London Parishes. Systematic house-to-house visitation is carried on. Mission Room Services, Open-Air Gatherings, Bands of Hope, and Boys' and Girls' Clubs are conducted.

The **C.E.S.R.A.** works amongst the Blind, Sailors and Dockers, Railway men, the Unemployed, and all Poor.

Poor Relief, Soup Kitchens, and Coal and Clothing Clubs are greatly assisted by the Readers, who prove a most valuable auxiliary in each parish occupied.

The **C.E.S.R.A.** is

A CHURCH MISSION. **A LAYMEN'S MISSION.**
A HOME MISSION. **A GOSPEL MISSION.**

A SOUTH LONDON VICAR writes: "There is no Society equal to it for supplying trained lay aid for the general church needs of large and crowded and poor parishes."

Retrenchment is inevitable if IMMEDIATE AID is not forthcoming.

£75 will support a Reader for a year.

WHO WILL HELP US?

TWO IMPORTANT BOOKS

By W. T. GRENFELL, M.D., C.M G.,

(OF LABRADOR).

A STIMULATING BOOK FOR YOUNG MEN.

THE ADVENTURE OF LIFE.

With Portrait of the Author in Photogravure.

Large cr. 8vo, **3s. 6d.** net.

"It reveals candidly and with an irresistible attractiveness the simple experimental faith which sent 'Grenfell of Labrador' to his great work, and has kept him there."
Christian World.

"Dr. Grenfell's book is forceful and convincing, but his own life is his best argument. The manly, heroic side of religion is well emphasised by Dr. Grenfell, and we can well understand how such a book may be used to give a new purpose to life and to inspire the young Christian with fresh ideals as he sees the dignity and the glory of service. **This is a book that will assist in the making of character, and in building up a virile and practical Christianity."**—*Life of Faith.*

DOWN NORTH ON THE LABRADOR.

Profusely illustrated, **3s. 6d.** net.

"There is not a dull page from beginning to end. Here we have humour, pathos, and even tragedy, skilfully blended, interspersed with a wealth of picturesque detail and personal anecdote."—*The Record.*

"There is no lack of good things in this volume. . . . . A record of golden deeds done by simple folk who have caught the secret of life and found it to be unselfishness. Better than fiction is our verdict."—*The Standard.*
